Thornton In House Weekly Goalie Development Sessions

Attn: Parents, Coaches and Goalies Ages Atom to Midget

Please allow me to introduce myself to you. My name is Tim Barker and I am the Thornton Minor Hockey Association Goalie Coach. We are excited to announce that the TMHA will be providing a weekly on-ice Goaltending Development Clinic scheduled to start first week of October and run for 4 consecutive weeks with the Goaltending Clinic starting back up again after the Christmas holidays in January for another 4We consecutive weeks.

My Playing Background

A little information about myself. I've been playing competitive hockey as a goaltender for the past 44 years and teaching goaltending skills for the past 20 years. Like most goaltenders I began playing in house league and worked my way up through the OMHA rep system which culminated with my free agent signing in 1987 with the **NY Rangers of the NHL**.

My Teaching Background and Hockey Canada Certifications

Upon my retirement from professional hockey I worked with the GTHL, Toronto based Goalie Schools and Mississauga based Goalie Schools with my primary focus on developing and leading goaltending clinics that were aimed at goaltenders ranging from age Novice to OHL.

I've currently completed the following certifications:

Hockey Canada Trainer Level I

Hockey Canada Activity Leader

St. John's Ambulance First Aid

Please also note I have my OPP Background check up to date and this is available upon request.

I am currently the Head Goaltending Coach for the following organizations:

TMHA Alliston Hornets (PJHL)

I also work with several local AAA, AA, A organizations and OHL teams with respect to goaltending instruction and evaluating.

Yours Truly,

A handwritten signature in black ink that reads "Tim Barker".
